## CAPA Scoring Chart / Barème de pointage de l'ACAP

Judges are encouraged to use the CAPA Scoring Chart below to assign scores to each image presented in the competition.

Voici l'échelle de notation l'ACAP que les juges sont encouragés à évaluer chaque image:

| Points | Based evaluation on these considerations / Critères d'évaluation                                                                                                   |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 4      | Extremely poor with very serious faults / Extrêmement faible avec des fautes très sérieuses                                                                        |
| 5      | <b>Fair – possibly with major faults / Passable – possiblement avec des fautes majeures</b>                                                                        |
| 6      | Good displays average technical qualities and average impact / Bon affiche des qualités techniques moyennes et un impact moyen                                     |
| 7-8    | <b>Excellent image – above average in technical qualities and impact / Excellente image – au-dessus de la moyenne en termes de qualités techniques et d'impact</b> |
| 9      | Exceptionally good – very high technical qualities and high impact / Exceptionnellement bonne – très hautes qualités techniques et impact élevé                    |
| 10     | Demonstrates the 'wow' factor – outstanding impact and technical aspects / Le facteur 'wow' mis en évidence – impact et qualités techniques hors du commun         |

To ensure a wider distribution of scores and minimize the number of ties, Judges are **ENCOURAGED** to use .5 scores (such as 4.5, 5.5, 6.5, 7.5, 8.5 and 9.5).

Vous êtes encouragé à utiliser des 0.5 points (comme 6.5, 7.5, 8.5, 9.5) ce qui permettra d'obtenir un étalement plus grand des pointages et de diminuer le nombre de bris d'égalité à effectuer.
